

SEARCH SOUTH CAROLINA FOR QUEEN OF PALMAFESTA

**Dillon County's Most Attractive and Popular
Young Woman Sent to Columbia for Week
of Social Gayety March 27 to April 2.**

Who will represent Dillon county in the contest for Queen of Palmafesta (Palmetto State Festival) to be held in the capital city March 27 to April 2? By means of a popular voting contest through local newspapers during the next four weeks, candidates will be chosen from every county in South Carolina who will go to Columbia as the guests of the Palmafesta Association, which organization will defray all expenses, including railroad transportation, hotel bills and entertainment. The young women will be chaperoned by prominent Columbia society folks and will feature in a week of entertainment and social gayety which promises to rival the famous New Orleans Mardi Gras. During the week an election will be held in Columbia to determine the most attractive and popular young woman from among the delegates assembled from the various counties. The winner of this contest will be proclaimed Queen of Palmafesta, and will be awarded a grand prize consisting of a complete spring trousseau of the finest apparel obtainable. One of the leading moving picture companies will film the queen and her entire court, and this specially selected galaxy of South Carolina beauties will be sent far and wide via the movie screen to advertise the Palmetto State.

Palmafesta is to be an annual spring event, held in the capital city for the entertainment of all the people of South Carolina. It will be a week of many and varied attractions, including the State-wide automobile show exhibiting the latest models of cars, trucks and tractors; the spring style show, featuring the latest creations from the realm of fashion by professional models to be imported from New York for the occasion; daily band concerts by one of America's premier musical organizations; floral, trades, automobile and baby parades; fetes, dances, social events and special attractions at all theatres, with nightly exhibits of fireworks in which will be featured specially designed set pieces depicting important events in South Carolina history. The auto show, style show and fireworks display will be staged at the State Fair Grounds.

In order to secure the most popular young woman in Dillon county as candidate for Queen of Palmafesta, there is printed below a popularity voting coupon which is to be filled out and mailed as per instructions contained therein. Voting coupons will be printed in each issue of this newspaper up to and including the issue of March 12th at which time the votes will be counted and announcement of the winner made. There will be no restriction upon the number of votes each person may cast. Each coupon clipped from this newspaper is good for one vote, and a yearly, paid in advance subscription will count 10 votes.

Shells filled with a gallon of oil and fired at angry waves will calm a turbulent sea according to tests made by United States life guards of Cohasset, Massachusetts. It is said that a barrage of such shells to the windward of a wrecked vessel would produce a sea sufficiently smooth to enable a lifeboat to make a safe approach.

A young man was found dead in the bath tub in his home in Toronto some time ago. Investigation showed that he had been killed by coming in contact with a bare electric lamp cord, carrying 118 volts, while standing in the water.

THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable

feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine. At all druggists.
